27.D memo # 1955, 14Feb. '51

6. Evzen VITEK was arrested on 19 May 1950 by BP Stelle Waldmuenchen for repeated illegal border crossings. He was known to have crossed near Selb illegally from the CSR into Bavaria on 3 - 4 November 1949. On this occasion, he has stated, he met with CIC officials in Selb and then returned to the CSR. On 20 December 1949 he again crossed into Bavaria at the same point; on this occasion he stated that he had been forced to flee the CSR to avoid arrest. He was sent to Camp Valka. On 17 April 1950 he was again arrested after an illegal crossing near Hoell. At this time he carried a Czech identification card, No. 200701/26, issued to one Petr NAVRATIL (chemist, born 1 July 1920 in Pilsen). The card was supposedly issued on 10 October 1949 by the chief of police in Pilsen.

At the time of the arrest on 19 May 1950, the following persons were waiting for VITEK:

- a. Dr. Josef URBAN
- b. Walter SCHULTE
- c. Alfred WALTMANN

Also involved were two women who had come from Wunsiedel to Waldmuenchen to see a certain "HOFFMAN". These women were Margit WALDMANN and one Irma MODEL, then living at Maximilianstrasse 25, Wunsiedel. They claimed to be employed by an American secret agency and to be working out of Wunsiedel. "HOFFMAN" is assumed to be VITEK.

(Comment: VITEK, at least, would seem thoroughly blown by now to CIC, Land Commissioner for Bavaria, German border police, and Czech intelligence!)
